

Dear Supporter,

Thanks to you over 1,900 allied health treatments have been provided over the past 4 months at the Wellington. On behalf of those people who desperately need these services, thank you for making their lives a little less painful and a little more hopeful.

We recently received feedback from a range of people who access our allied health services. Their comments reflect the value and importance of the services offered by the Wellington:

"Treatment has been helping me deal with the side effects of Leukaemia and Chronic Fatigue Syndrome. The practitioners are always very kind and supportive and the appointments give me a reason to leave the house each day."

"I have Bilateral Tendonitis & Fibromyalgia, the services help so much with my chronic pain, improving my mobility and flexibility."

"Osteopathy at The Wellington has relieved my chronic pain. I take regular pain relief tablets but the treatment relaxes my muscles and makes it more bearable than just the medication by itself."

"The pain was terrible, receiving treatment at The Wellington helps with my injured leg, back and neck. The treatment relieves my stress and pain. I am very grateful for the help in alleviating the pain, thank you so much."

Every day, your support makes stories like these possible. We see real results. We see real changes in people's lives. We see healing. We see differences made in people's lives.

The end of the financial year is a time when some people consider supporting worthy causes or charities. We would hope that at this time you will seriously consider supporting the important work of The Wellington. Many people rely on The Wellington Center and we rely on many people such as yourself to help us help the community.

Would you be willing to make a special year-end donation of \$50, \$100 or whatever you can afford to help us meet our goal of raising \$10,000 by the 30th June.

We simply can't do it without you. Your support will make a real, lasting impact in the lives of those who are still in need. Please use the form attached to make an end of year tax deductible donation or make one through our website – thewellington.org.au.

Thank you for your support.

Best Regards
